300S - 24' STAGE

These versatile trailers will get your business noticed. Choose from our lightweight, aluminum Stage or Vending Trailers.

300V - 24' VENDING

IDEAL FOR YOUR MOBILE BUSINESS CUSTOMER

The **Stage Trailer** has a 16 ft. drop-down stage with a railing, and is prepped for a generator. It's ideal for live presentations or for displaying retail merchandise fixtures inside and out. The **Vending Trailer** will showcase your products with concession doors and integrated lighting above for walk-up sales of food or merchandise. The concession door is at the perfect height for a counter to serve customers, at 44" from the ground up. Both trailers are standard equipped with interior upper and lower aluminum storage cabinets and front and side backers to mount a TV or spare tire. **Details at ATCtrailers.com**
