

# RōM

STACKER 22', 24', 26' – RV ENTHUSIAST EDITION

## Built for the Long Haul

The RōM Stacker is our premium stacker car hauler, and we've loaded it with the features you need most. The chassis is fully welded, using state-of-the-art weld tables that ensure precision alignment of all support members. It's the optimal way to transport your treasured racing vehicles, classic collectibles or weekend toys.

### GO YOUR OWN WAY

Go where you want and bring what you want. No matter how often you hit the road or what you decide to bring along on any given trip, the RōM Stacker will get you there. It's equipped with plenty of space and storage so you can haul multiple vehicles, including cars, ATVs, motorcycles and other toys. Available in several lengths; shorter models ideal for hauling behind an RV.

Details and options at [ATCtrailers.com](https://www.atctrailers.com)
