

Now With More Standard Features

Our essential basic car hauler, the RÖM 300 comes ready to roll with more new standard features and everything you need to get your vehicle securely down the road. RÖM 300's lightweight, high-quality aluminum frame is built to exacting standards that ensure it will hold its value for the long haul.

Shown with the Deluxe Package

READY TO GO

Our RÖM 300 Car Hauler has new standard features that make it an exceptional value. It's outfitted from the start for hauling your race car, a car-show treasure or motorcycles and ATVs for a weekend outing. Our most popular car hauler, the RÖM 300 is a sturdy, dependable way to transport your vehicles. The 300 Series can also be ordered and equipped with optional packages to more precisely fit your needs.
