ALL NEW AND READY TO CONFIGURE

The RōM 450 is our best bang-for-your-buck car hauler that unlocks the ATC LifeTrac wall design that allows you to add, rearrange, and remove components to customize your hauler just how you want it. And, of course, durability and reliability are always standard on any ATC product. The ceiling, walls and floor are all welded using state-of-the-art weld tables that ensure precision alignment of all support members. The result is the ideal carriage for your race car, show car, or your weekend toys.
