

RoM 400, 450 Series Warranty (2026 Model Year)

5 YR LIMITED STRUCTURAL WARRANTY

3 YR LIMITED WARRANTY

1 YR LIMITED WARRANTY

The Aluminum Trailer Company (ATC) warrants to the original purchaser and any valid transferees that its trailers will be free from defects in materials or workmanship under normal operating conditions as provided in this Limited Warranty. This Limited Warranty shall not be deemed to have failed its essential purpose so long as ATC, or ATC through its authorized dealers, is willing and able to repair, replace, or adjust defective parts in the prescribed manner. This Limited Warranty is transferable subject to the conditions listed below and is limited to defects in workmanship performed by ATC only.

5 YEAR LIMITED STRUCTURAL WARRANTY

ATC will repair or replace at its cost, in its discretion, any Structural Defect (as defined below), which is caused by a defect in materials or workmanship of ATC, for a period of five (5) years from the date of original purchase of the trailer from ATC or its authorized dealer. For purposes of this Limited Warranty, a "Structural Defect" shall mean a defect in the main metal frame, any metal members welded to it, the studs and framing in the walls, or roof members, any of which cause the trailer to be unfit or unsafe for general use as a trailer under normal operating conditions.

3 YEAR LIMITED WARRANTY

ATC will repair or replace at its cost, in its discretion, any component manufactured by ATC found to be defective in materials or workmanship of ATC, which are not covered by the 5 Year Limited Structural Warranty or the 1 Year Limited Warranty, for a period of three (3) years from the date of original purchase of the trailer from ATC or its authorized dealer.

1 YEAR LIMITED WARRANTY

ATC will repair or replace at its cost, in its discretion, any defect in any electrical work or wiring, and any defect in the sealants, door seals, or window seals, which is caused by a defect in materials or workmanship of ATC, for a

period of one (1) year from the date of original purchase of the trailer from ATC or its authorized dealer.

If problems should arise with the screwless exterior, ATC may apply rivets or screws in the walls as a part of our warranty procedure.

UNINTENDED USES AND PRIOR MODEL YEARS

If the trailer is used for full time recreational travel, as a residence, or is not of the current or prior model year when the first retail owner takes delivery of the trailer, then the limited 3 year and 1 year warranties end 90 days after the original purchaser takes delivery of the trailer. This disclaimer does NOT apply to the 5 year limited structural warranty.

ANY CLAIMS AND CAUSES OF ACTION AGAINST ATC ARISING OUT OF THIS LIMITED WARRANTY, PURCHASE OR OPERATION OF THE TRAILER, INCLUDING FOR: BREACH OF THIS 90 DAY LIMITED WARRANTY OR IMPLIED WARRANTIES, REVOCATION OF ACCEPTANCE, AND VIOLATIONS OF STATE CONSUMER PROTECTION AND DECEPTIVE TRADE LAWS MUST BE COMMENCED NOT MORE THAN 1 YEAR AFTER THE 90 DAY WARRANTY ENDS.

PURCHASER'S OBLIGATIONS TO RECEIVE WARRANTY COVERAGE

Purchaser must submit the Limited Warranty Registration Card within 30 days of purchase of the trailer in order to activate warranty coverage. All warranty repairs must be performed by ATC or an authorized service center. Warranty repair authorization must be given by an ATC Customer Service Representative before a repair is made. Warranty approval or denial is at ATC's discretion. Certain warranty repairs require special training, so not all service centers are authorized to perform all warranty repairs. This means that, depending on the warranty repair needed, the trailer may need to be taken to another authorized dealer or returned to ATC. ATC must receive written notice of any warranty claims from the purchaser prior to the expiration of the duration of the Limited Warranty, and the purchaser must allow ATC an opportunity to resolve the matter. The purchaser must notify ATC of any trailer being repaired by an authorized ATC dealer, which has been at the dealership for fifteen (15) days, or of any claimed defect which was not corrected after one repair attempt.

GENERAL CONDITIONS

ATC reserves the right to make changes in or additions to trailers built or sold

by them at any time without incurring any obligation to make the same or similar changes or additions to other trailers built or sold by ATC. ATC also reserves the right to provide post-warranty repairs, conduct recalls, or extend the warranty coverage period for certain trailers or trailer populations, at the sole discretion of ATC. The fact that ATC has provided such measures to a particular trailer or trailer population in no way obligates ATC to provide similar accommodations to other owners of similar trailers.

The applicable Limited Warranty to a trailer is the Limited Warranty in effect at the time the trailer was purchased. Non-ATC manufactured parts or components carry their own individual warranty provided by its manufacturer or distributor ("Component Manufacturer"). For additional detail, see section below called "What is not Covered". Such warranties by the Component Manufacturer are hereby assigned to the purchaser, to the extent permitted by the Component Manufacturer.

No person has authority to enlarge, amend or modify this Limited Warranty. The dealer is NOT ATC's agent for this purpose. ATC is not responsible for any undertaking, representation or warranty made by any dealer or others beyond those expressly set forth within this Limited Warranty.

This Limited Warranty does not cover transportation or freight to or from an authorized service center or to ATC for repairs. All transportation and freight charges are the responsibility of the purchaser. ATC is not responsible for living arrangement fees, hotel fees, storage fees, cancelation fees, lost vacation fees, or any other fees associated with this Limited Warranty.

TRANSFERABILITY

This Limited Warranty may be transferred by the first and subsequent purchasers, during the term of any available warranties, subject to the following restrictions: (1) The original purchaser has previously registered the trailer with the ATC Warranty Department; (2) the warranty period for the trailer has not expired and the Limited Warranty is currently active (3) the current owner must sign the Warranty Transfer Card indicating his or her intention to transfer the remaining portion of the Limited Warranty; and (4) the new owner must register the trailer by filing the Warranty Transfer Card with the ATC Warranty Department within thirty (30) days of the sale. ATC reserves the right to reject any warranty transfer request, including those that are incomplete or those involving trailer that has been damaged, neglected, or

otherwise previously excluded from warranty.

*This Limited Warranty will not transfer to any subsequent purchaser of a trailer which has been salvaged and resold or resold after a declaration of a total loss or a constructive total loss, i.e., the cost of repair exceeds the value of the trailer.
